## Gold King Operations by Geographic Area of Responsibility

### Region 9, Navajo Nation

OSC: Randi Nattis	415.940.1108 (Water Resources)
OSC: Robert Wise	562.889.2572 (Incident Operations)
RM: Jason Coury	206.276.0138
FCA: Patrick Bennett	206.496.3281

### Region 6, New Mexico

RM: Jim Cromwell	713.408.8524
FM: Gary Reynolds	503.709.8785

### Program Management Support

R9 Logistics Support: Ron McManamy	425.673.2900 Office, 206.276.1935 Cell
R6 Logistics Support: John Foster	985.788.8649
Subcontract Support: Laurie Palmer	425.673.2900
Purchasing Assistants: Pam Marcyes and Kim Gallimore 425.673.2900	

Scope: To identify options for water transport. Execution of POs and Subcontracts pending direction.

Operational information needed.

1. Where to pick up the water and what fittings will be required?
2. What areas need water?
3. The volume of water needed per day?
4. Discharge fittings or requirements (pumping over into a tank, vertical head pressure issues, etc.)

Assumptions are 14 days at 10 hours each day until further notice.

Other options, Bottled water subcontracts? Community Location to pick up water?

**Subject:** Contact for Navajo on water

Hi Ron and Jason,

I just spoke to Rex Coon, head of the Navajo Utility organization. They have a water source but

need help transporting it to from the source to the storage facilities in the impacted area. Please contact Thomas Bayles [Personal Phone/Ex. 6] and help him with whatever his transportation needs are. Call me if you have any questions.

Robert Wise, CHMM, MSEnv.

Federal On-Scene Coordinator
